LEGEND OF SHANGRI-LA

香格里拉的传说

LEGEND OF SHANGRI-LA 香格里拉的传说

The name Shangri-La was inspired by James Hilton's legendary novel "**Lost Horizon**". A tranquil haven in the mountains of Tibet, Shangri-La casts a spell on all who reside there.

Today, Shangri-La stands as a synonym for paradise. And even though mythical in origin, the name perfectly encapsulates the genuine serenity and service for which Shangri-La Hotels and Resorts have come to be recognized.

香格里拉的美名，来自詹姆士·希尔顿的传奇小说《失落的地平线》。书中详述了香格里拉——一个安卧于西藏崇山峻岭间的仙境，让栖身其中的人，感受到前所未有的安宁。

时至今日，香格里拉已成为世外桃源的代名词。而香格里拉酒店集团的优秀服务及完美憩静的环境，正与这个弥漫着神秘色彩的名字源出一辙。
